REQUEST FOR CORRECTED OFFICE ACTION
AND
PARTIAL AMENDMENT AND RESPONSE
TO
OFFICE ACTION DATED 15 APRIL 2010

Dear Madam:

Applicants have received an *Office Action* dated 15 April 2010 concerning the application cited above, and it alleges the application to be deficient in the following respects:

1. The application contains claims directed to three inventions, and requires restriction to one of the following groups: claims 1-71, claims 72-78 and claims 79-80;
2. The drawings are objected to as failing to comply with 37 C.F.R. §1.84, and thus require corrected drawing sheets in compliance with 37 C.F.R. §1.121(d);
3. Claims 15 is objected to due to a minor informality (i.e., a typographical error);
4. Claims 1, 21, 39, 53, 61, 68 and 71 are considered indefinite under 35 U.S.C. §112 due to the use of the term “electrically adjacent” in each of these independent claims;
5. Claims 1-15, 17-29, 31-33, 35-50, 52-58 and 60-71 stand rejected under 35 U.S.C. §102

CERTIFICATE OF MAILING/ELECTRONIC TRANSMISSION

I hereby certify that this correspondence is being electronically filed with the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on 16 August 2010.
